K-12 Programs at the MAC

Campbell House Exclusive Field Trip

Every other Tuesday, 10:00-11:45 am

The Campbell House Exclusive Field Trip includes an extended visit to Campbell House with additional artifacts, stories, and activities about the historic mansion and the people who lived there. This field trip does not include visiting museum galleries.

MAC Pack

Every other Tuesday

A museum educator will travel to your school for a 60-minute program for up to 30 students. This program will focus on one of the Campbell family's beloved servants who immigrated to Spokane in the early 1900s. Students will look closely at archival documents and artifacts and learn how historians piece together a historical puzzle.

Afternoons: Exhibits and Art Program

Wednesdays – Fridays, 12-1:45 pm

Includes a guided tour of our current exhibits, and a pre-selected choice of either our classic painting program, or a new printmaking program where students will explore positive and negative space.

Field Trips | Wednesdays -Fridays, September 18 – December 13 | \$8 per student

MAC field trips make art, history, and culture come alive. Students engage with exhibits through guided tours and enjoy programs that complement and enhance summer youth programs. Available as a morning session with Campbell House, or an afternoon session with an art program.
